**The Customer rive  
Transformer # 3**

ENERGEX plans to carry out important work in your neighbourhood on the date above, weather and / or emergency work permitting. For safety reasons, electricity will not be available to your home / premises during the times stated.

ENERGEX staff will take all reasonable measures to lessen any inconvenience during this work. We thank you in advance for your understanding.

During your electricity interruption

- Turn off and unplug all electrical and heating appliances, **except** refrigerators and freezers
- Try to avoid opening your refrigerator and freezer
- If your household water supply uses an electric pump, store enough water for your needs
- Electric garage doors and gates will not work and you will need to manually gain access to your premises
- It is not necessary to turn off switches at the main switchboard.
